Lubricated Rotary Screw Compressors

Warranty Cover

## Premium Air Compressors

L Series Fixed & Regulated Speed

# Excellence in every detail

# Protect your investment

## The L-Series from CompAir

Well known in the industry for quality and reliability, CompAir continuously develops the L-Series to achieve cutting edge performance and efficiency. The L07-L22 range of lubricated screw compressors comprise of fixed speed and regulated speed (RS) models and is available as a complete package including air receiver and refrigerant dryer.

**GERMAN  
ENGINEERING  
& DESIGN**

## Engineering excellence

Compressors are more than just a financial investment, they are a key component in ensuring that manufacturers, processors and operators receive consistent, high quality low cost air.

The screw compression element is the heart of the compressor and therefore CompAir keeps the design and manufacture in-house, using the latest CNC rotor grinding machinery, coupled with online laser technology.

The resulting reliability and performance ensure that operating costs will remain low throughout the compressor's life.

## Assure warranty – to ensure your peace of mind!

The J & J Air Systems Assure Warranty and Service programmes will assure you up to 44,000 hours or 10 years whichever soonest. It is one of the most generous warranties available in the industry affording you total piece of mind.

## Your benefits:

- The Assure warranty is totally free to the compressor owner<sup>1)</sup>
- J & J Air Systems the authorised service provider will deliver a guaranteed quality of service
- An Assure service agreement underpinning the warranty will enable accurate maintenance budgeting and cost of ownership
- The use of genuine CompAir parts and lubricants will maximise compressor life and efficiency

<sup>1)</sup> whichever is the soonest

<sup>2)</sup> subject to Terms & Conditions

## Advanced design - Easy servicing

The design of these packages ensures the service points are readily accessible.

With all service components conveniently grouped behind a lift-off canopy section, downtime and service costs are kept to a minimum.

Furthermore all component parts are designed for a long service life. The generously sized suction filters, oil filters and final separators ensure long service life and excellent compressed air quality.

## First-class accessibility

- Panels and covers are easily removable with quick-release catches.

## Easy service items

- Spin on/off separator cartridge providing residual oil carryover of less than 3 mg/m<sup>3</sup>
- Quick oil change via external drain
- Easy access suction filter element

## CompAir genuine spare parts

Enjoy complete peace of mind.

Genuine CompAir parts and lubricants ensure that compressed air plant reliability and efficiency is maintained at the highest standards. CompAir spare parts and lubricants are distinguished by:

- Long service life, even under harshest conditions
- Minimum losses contribute to energy savings
- High reliability improves plant up-time
- Products manufactured with the strictest Quality Assurance Systems

# Global experience – truly local service

**Customer Service Centre, Stores and Trade Counter**

With over 200 years of engineering excellence, CompAir offer an extensive range of highly reliable, energy efficient compressors and accessories to suit all applications.

We provide a truly local service, ensuring our advanced technology is backed up with the right support.

CompAir has consistently been at the forefront of compressed air systems development, culminating in some of the most energy efficient and low environmental impact compressors on the market today, helping customers achieve or surpass their sustainability targets.

## CompAir compressed air product range

### Advanced Compressor Technology

#### Lubricated

- Rotary Screw
  - > Fixed and Regulated Speed
- Piston
- Portable

#### Oil-Free

- Water Injected Screw
  - > Fixed and Regulated Speed
- Two Stage Screw
  - > Fixed and Regulated Speed
- Piston • Rotary Scroll
- High Speed Centrifugal - Quantima®

### Complete Air Treatment Range

- Filter
- Refrigerant and Desiccant Dryer
- Condensate Management
- Heat of Compression Dryer
- Nitrogen Generator

### Modern Control Systems

- CompAir DELCOS Controllers
- SmartAir Master Sequencer
- iConn - Smart Flow Management

### Value Added Services

- Professional Air Audit
- Performance Reporting
- Leak Detection

### Leading Customer Support

- Custom Engineered Solutions
- Local Service Centres
- Genuine CompAir Parts and Lubricants
