

Protecting your compressed air investments

AdvanceTM 10

An industry-leading
10 year warranty
programme to protect your
Hydrovane compressed
air equipment

Advance™ 10

Hydrovane's Advance™ 10 Warranty guarantees you up to 48,000 hours peace of mind

The Hydrovane Advance™ 10 warranty programme, is a unique compressor care schedule, formulated to offer you complete warranty cover on Hydrovane compressors from 4kW to 75kW.

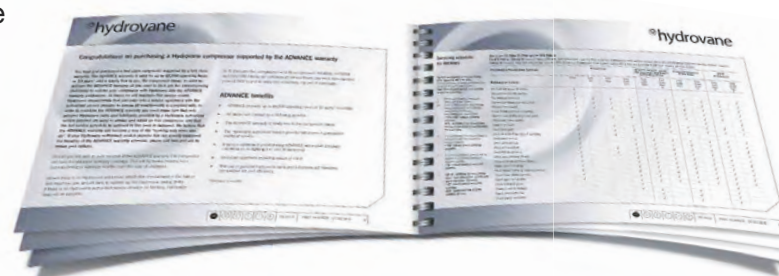

Your benefit of extended warranty cover is extra peace of mind

- Lifetime guarantee on blades
- 10 years or 48,000 hours on airends
- Planned maintenance schedules - Maximum production
- No unexpected repair bills
- Simple to join with minimum administration
 - No fuss, no complication
- Increased re-sale value
- It's **FREE OF CHARGE** - No premiums to pay.

What you have to do

Joining the Advance™ 10 programme is simple. All you have to do is:

- Have your installation carried out by an authorised Hydrovane service provider and have them register your compressor for the Advance™ 10 warranty programme
- Allow the authorised Hydrovane service provider to deliver the recommended service schedule and stamp your service log book
- Use genuine Hydrovane parts and lubricants for service.
