And as always with Bambi, Budget range doesn't mean compromised. Coated receiver to guard against corrosion, easy to view and 10 micron outlet filter and adjustable pressure regulator.

Budget compressors are the ideal choice for powering large stands, adhesive dispensing, testing equipment – anywhere.

Internally Coated Air Receiver

Clearview Oil Level Check

Manufactured in the United Kingdom to exacting standards, Bambi offers a comprehensive warranty extending to 3 years on the air receiver. With over 30 years' experience in the compressor industry.

When you require the best quality of Air for your Dental Surgery, or Medical use there is just one name to consider – Bambi.

With over 37 years in the manufacture of precision Air compressors, Bambi have developed the most comprehensive range of Dental, Medical and Scientific Air Compressors manufactured in the United Kingdom.

We supply the comprehensive range of Bambi Air Compressors available to meet the needs of the smallest rural Dental practice through to the largest multi room surgeries for NHS practices, including private Surgeries, Clinics and Laboratories.

Our team can assist with all the technical advice you need including selecting and specifying the correct Air Compressor for your needs, delivery options and installation requirements. Our Service Team can install and maintain your equipment in an efficient and safe condition and protect your 2 Year Warranty on your equipment, and 5 Year Warranty on the Air Receiver.
